2. ABOUT YOUR ACCOUNT

Your Account is a demand deposit checkless checking account, meaning that transfers made to or from the Account may only be made electronically.

The Account is not a prepaid account or a credit product. You will not receive any interest on the funds in your Account. This Account is not designated for business use, and we may close your Account if we determine that it is being used for business purposes. We may close your Account or refuse to process any transaction involving your Account that we believe may violate the terms of this Agreement or represents illegal or fraudulent activity. You may not use your Account for any illegal transactions or any activity prohibited by this Agreement.

You agree to pay the charges as shown on the Fee Schedule. Fees assessed to your Account balance may bring your Account balance negative. Any time your Account balance is less than the fee amount being assessed to your Account or your Account balance is already negative, the assessment of the fee will result in a negative balance on your Account or increase the negative balance on your Account,

as applicable. If that occurs, any subsequent deposits to your Account will first be applied to the negative balance.

Once you fund your Account, you will be able to authorize Pathward to take certain actions with respect to the funds accessible through your Account, as set forth in this Agreement. Your funding or use of your Account authorizes us to hold your funds at Pathward or act as your custodian to place your funds at one or more participating FDIC-insured banks (each a "Program Bank"). Visit www.pathward.com/programbanks to find the most up-to-date list of Program Banks. If you do not agree to Pathward placing your funds as custodian at other Program Banks, please immediately transfer or spend **all** the funds in your Account or contact Customer Service above to close your Account in accordance with Section 11(b) of this Agreement.

Your funds are eligible for deposit insurance up to the applicable limits by the Federal Deposit Insurance Corporation ("FDIC"). In the event the FDIC were to be appointed as a receiver for Pathward or a Program Bank, your funds, aggregated with any other funds you have on deposit at such institution would be eligible to be insured up to \$250,000 for each legal category of Account ownership, subject to compliance with FDIC deposit insurance requirements. You are responsible for monitoring the total amount of all direct or indirect deposits held by you or for you with Pathward and the Program Banks for purposes of monitoring the amount of your funds eligible for coverage by FDIC insurance. To assist with calculating your FDIC deposit insurance coverage, the FDIC has an Electronic Deposit Insurance Estimator available at <https://edie.fdic.gov>.

3. GETTING STARTED

a. Verification Process

- **Important information for opening an Account:** To help the federal government fight the funding of terrorism and money laundering activities, the USA PATRIOT Act requires all financial institutions and their third parties to obtain, verify, and record information that identifies each person who opens an Account.
- **What this means for you:** When you open an Account, we will ask for your name, street address, date of birth, and other information that will allow us to identify you. We may also ask to see a copy of your driver's license or other documents at any time. Accounts are opened subject to our ability to verify your identity by requiring acceptable types of identification. We may validate the information you provide to us to ensure we have a reasonable belief of your identity. If we are not able to verify your identity to our satisfaction, we will not open your Account or we may close the Account if it was previously funded, subject to applicable fees. We reserve the right to not open an Account for anyone in our sole discretion. We may also limit the number of Accounts that you have in our sole discretion. Your Account is subject to fraud prevention restrictions at any time, with or without notice.
- **Eligibility and Activation:** To be eligible to use and activate this Account, you represent and warrant to us that: (i) you are citizen or permanent resident of the fifty (50) United States or the District of Columbia who can lawfully enter into and form contracts under applicable law in the state in which you reside; (ii) the personal information that you have provided to us is true, correct and complete; (iii) you have read this Agreement and agree to be bound by and comply with its terms.

b. **Card Activation.** If you request an Account online or through the Mobile App and we are able to verify your identity to our satisfaction, we will provide you with a virtual Card ("Virtual Card") through the Mobile App that you can use until you receive your personalized physical Card. A Virtual Card is an online representation of a Card. You can use the Virtual Card as provided in this Agreement, with the following limitations: you may not add funds to your Account using your Virtual Card and you may not access ATMs with your Virtual Card. We will mail you a physical Card at the time you place funds in the Account for the first time. In order to complete the process of opening your Account and to access the funds on deposit in your Account, you must activate and set a PIN associated with the Card you received from us in connection with your Account. To activate your Card, you must call 1-801-736-2453. Your Virtual Card and physical

Card must each be activated and have a PIN set in connection with the Card to be used.

c. **Delivery of Electronic Communications.** As a condition of opening and maintaining the Account, you are required to consent to receiving electronic communications from us.

4. ACCOUNT FUNDS

a. Deposits

Deposits may be made only in the form and manner we permit in our sole discretion. Only electronic deposits are permitted. The deposit methods available for the Account are set forth in the chart below. We may, at our sole discretion, refuse to accept any deposit. If an Item you deposit is returned unpaid, we will debit your Account, and assess any other fee we pay or loss we incur. In addition, you are liable to us for all costs and expenses related to the collection of any amount from you. Funds deposited to your Account are available as described below under "Funds Availability Policy". Cash Transfers and transfers from third party RoarMoney account holders using our Transfer Service will not be FDIC insured until we receive the funds even if we make the funds available to you prior to receipt as described below. **YOU CANNOT MAKE A DEPOSIT THROUGH AN ATM OR ANY OF OUR BRANCH LOCATIONS.**

b. Limits

The following limits apply to deposits and transfers to your Account:

Deposit Method	Limit
ACH transfers (including pre-authorized recurring transfers) from another financial institution	\$2,500.00 daily maximum deposit for ACH transfers into Account initiated from the Mobile App; \$10,000.00 deposit limit for first 30 days post-Account opening, then no monthly limit on ACH transfers initiated from the Mobile App.
Cash Transfers sent to us through an eligible third-party money transmission service provider	\$1,500 daily maximum for Cash Transfers from eligible third- party money transmission service provider; \$10,000 monthly limit for Cash Transfers from eligible third- party money transmission service provider.
Transfer from external debit card	\$200 daily maximum for transfer from external debit card with a limit of 2 transfers per day; \$400 weekly limit for transfer from external debit card with a limit of 4 transfers per week.
Transfer from third party RoarMoney account holders using our Transfer Service	\$1.00 minimum amount \$1,500.00 per day \$2,500.00 per week \$3,500.00 per month

Deposit transactions may be subject to a fee as set forth in the Fee Schedule. If you arrange to have funds deposited directly to your Account through an ACH credit transaction, you must enroll with the entity making a payment to you by providing our routing number and your Account number. Cash Transfer providers may require you to meet certain identification requirements, including presenting your Card, in order to complete Cash Transfers. Transfers from external debit cards or third party financial institutions initiated from the Mobile App, and transfers from third party RoarMoney account holders using our Transfer Service, can only be completed if the transfers are verified and eligible according to our identification requirements. Except for the deposit transactions set forth above that you have authorized, no other person can deposit money into your Account on your behalf, and we reserve the right to reject any such deposit.

We will not accept any checks, money orders or cash mailed or otherwise provided to us for deposit, or any inbound wire transfers to your Account. We are not liable for any checks, money orders or cash mailed to us.

c. Funds Availability Policy

Our policy is to make funds from your electronic deposits available on the Business Day we receive the deposit. But we reserve the right to delay the availability of deposits funded by ACH debit of an external bank account to allow us time to verify the external account and receive payment on collected funds. Once the funds are available, you can withdraw them in cash, and we will use them to pay Card transactions and other transactions permitted on the Account. We reserve the right to refuse any deposit. If final payment is not received on any item you deposit to your Account, or if we are required to return any direct deposit or ACH credit transaction for any reason, you agree to pay us the amount of any returned item we previously credited to your Account. You may arrange to have funds transferred by ACH to your Account by your employer or other appropriate payor. In case of transmission error, or transfer irregularity, your ability to withdraw funds may be delayed. If this occurs, then funds will generally be available within five (5) Business Days after we receive the deposit. Note that after we make funds available to you, and you have spent, sent or withdrawn all or a portion of the funds, you are still responsible for any problems involving your deposit.

d. Preauthorized Credits

If you have arranged to have direct deposits made to your Account at least once every 60 days from the same person or company, you can contact Customer Service to find out whether or not the deposit has been made.

e. Transaction Processing Order

Generally, your deposits and withdrawals are processed as follows:

- Unless manual review is needed, Direct Deposits and any other ACH credits (including Cash Transfers) are added to your Available Balance at the time we receive and process the applicable ACH file or at the time we receive pending deposits that are immediately available for your use. ACH debits are deducted from your Available Balance in the order of lowest to highest dollar amount if multiple ACH debits are present in a single ACH file that we process.
- Transactions received real-time during the day are processed as they occur. Debit transactions received during the day are debited from your Account as they occur if there is a sufficient Available Balance in the Account to pay them (for example, ATM and other Card transactions). Please note: Your Available Balance may not reflect every transaction you have initiated or previously authorized (e.g., pre-authorized debit transaction holds that are later released).
- Fees for services we provide that have not already been debited from your Account are deducted from your Available Balance after other transactions have been processed.

Even if we provisionally post items to your Account during the day, we may treat them as if we received all of them at the end of the day.

f. Other Types of Deposits.

Funds availability rules for other types of deposits will be disclosed to you at the time those other deposit options are offered to you.

5. USING YOUR ACCOUNT

a. Accessing Funds and Limitations

Each time you use your Card or another permitted method to access funds in your Account, the Available Balance in your Account will be reduced by the amount of the transaction and applicable fees. Generally, you may not exceed the Available Balance in your Account through an individual transaction or a series of transactions. If a transaction on your Account exceeds the balance of the funds available in your Account, you will remain fully liable to us for the amount of the transaction and any corresponding transaction fees(s) and agree to pay us promptly for the negative balance. If your Account has a negative balance, any deposits will be used to offset the negative balance. We may also, to the extent permitted by applicable law, use any deposit or balance on another account you have with us to offset a negative balance in your Account. If you have not deposited sufficient funds to your Account to cover the negative balance within ninety (90) days of its creation, we may close your Account. Additionally, we have the right to pursue collection, including the right to collect funds equal to or less than the negative balance, from any other account(s) you may have with us. If you use your Card number without presenting your Card (such as for an internet transaction, a mail order or a telephone purchase), the legal effect will be the same as if you used the Card itself. The following types of electronic fund transfers are available on your Account:

- **ACH Debits.** You may provide another party the ability to initiate transfers from your Account (on a one-time or recurring basis) through an ACH transaction. If you authorize the party initiating the withdrawal with advance authorization to make recurring ACH transfers to or from your Account, the transfers are referred to as "preauthorized transfers."
- **ATM or POS cash withdrawals.** With your PIN, you may use your Card to obtain cash from ATM or any point-of-sale ("POS") devices, if and as permitted by the relevant merchant, bearing an acceptance mark displayed on the Card. ATM transactions are treated as cash withdrawal transactions. You may also obtain your Account balance through certain ATMs. See the Fee Schedule for information about fees that may be applicable to the use of your Card to obtain cash or Account balance information. In addition, some or all transactions may be subject to a surcharge assessed by the terminal owner. Any cash withdrawn through an ATM or POS device transaction, or through a participating bank, will be subject to the limitations set forth in the section below labeled "Limits." Cash withdrawals are available up to the daily authorization limits disclosed below, provided the Available Balance in your Account is greater than or equal to the amount requested plus any fees that may be charged along with the cash withdrawal. Cash withdrawals may also be subject to varying daily limits at the terminal owner's discretion. If you use your Card and PIN to obtain Account balance information through an ATM, please note that the balance information provided may not reflect recent transactions and may include funds that are not available for immediate withdrawal.
- **Card Purchases.** You may use your Card to purchase goods and services from merchants that accept Cards bearing an acceptance mark displayed on the Card as a method of payment.
- **Account Transfers.** By using the Transfer Service available on your Account within the Mobile App, you may add funds to your Account via external debit card from other accounts you own and hold at certain other financial institutions, or direct that funds be transferred from your Account to other RoarMoney account holders or to accounts you own and hold at certain other financial institutions. Please see the section below titled "Transfer Service" for a description of the Transfer Service.

Bill Pay	\$2,500.00 per day for bill payments initiated from the Mobile App	10 per day
If you allow a third party, such as a money transmitter or other third party to make pre-authorized debits, limits may be imposed by those third parties.		

c. Foreign Transactions

If you make a purchase or obtain cash using your Card in a currency other than U.S. dollars or country other than the U.S. ("Foreign Transaction"), the amount deducted from your Account will be converted by the network or card association that processes the transaction into an amount in the currency of your Account. The rate they choose is either: (i) selected from the range of rates available in wholesale currency markets (which may vary from the rate the association itself receives), or (ii) the government-mandated rate in effect for the applicable central processing date. The conversion rate selected by the network is independent of any fee that we charge as compensation for our services. You will be charged a fee for Foreign Transactions in U.S. dollars as disclosed in the Fee Schedule ("Foreign Transaction Fee"). Foreign Transaction Fees may be assessed for transactions conducted in U.S. territories. If a Foreign Transaction results in a credit due to a return, we will not refund any Foreign Transaction Fee that may have been charged on your original purchase.

d. Preauthorized Transfers

- **Right to stop payment and procedure for doing so.** If you have told us in advance to make regular payments out of your Account, you can stop any of these payments. Here's how: Call or write us with the Customer Service information above in time for us to receive your request at least three (3) Business Days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) days after you tell us you want to stop such payments. There may be a fee associated with each stop payment order you give. For information about the fee, please see the Fee Schedule. To stop a recurring payment to a merchant you have preauthorized to debit your Account, you may also contact the merchant to request that the recurring payment be cancelled. If you have arranged for recurring payments to a merchant using the bill pay services available through an eligible third-party service provider, you should first contact the applicable third-party service provider to cancel the recurring payment.
- **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay is required to tell you, 10 days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.
- **Liability for failure to stop payment of preauthorized transfer.** If you order us to stop one of these payments three Business Days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

e. Our Liability for Failure to Complete Transactions

If we do not complete a transaction to or from your Account on time or in the correct amount according to our Agreement with you, we will be liable for your losses and damages. However, there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough funds available in your Account to complete the transaction;
- If a merchant refuses to accept your Card;
- If an ATM where you are making a cash withdrawal does not have enough cash;
- If an electronic terminal where you are making a transaction does not operate properly and you knew about the problem when you initiated the transaction;
- If access to your Account has been blocked after you reported your Card or PIN lost or stolen;
- If there is a hold on your funds or your funds are subject to legal process or other encumbrance restricting their use;

- If we have reason to believe the requested transaction is unauthorized;
- If circumstances beyond our control (such as fire, flood or computer or communication failure) prevent the completion of the transaction, despite reasonable precautions that we have taken;
- In the case of pre-authorized credits, the data from the third party is not received, is incomplete or erroneous; or
- For any other exception stated in our Agreement with you.

f. Authorization Holds

With certain types of purchases (such as those made at restaurants, hotels, or similar purchases), your Account may be "preauthorized" for an amount greater than the transaction amount to cover gratuity or incidental expenses. Any preauthorization amount will place a "hold" on your available funds until the merchant sends us the final payment amount of your purchase. Once the final payment amount is received, the preauthorization amount on hold will be removed. During this time, you will not have access to preauthorized amounts. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds. You do not have the right to stop payment on an authorized purchase transaction, except as otherwise provided herein. If you use your Card at an automated fuel dispenser ("pay at the pump"), the merchant may preauthorize the transaction amount up to \$100.00 or more. If your Card is declined, even though you have sufficient funds available, you should pay for your purchase inside with the cashier.

6. TRANSFER SERVICE

Subject to the terms of this Agreement, using the transfer service feature in the Mobile App you can (1) add funds to your Account via external debit card from other accounts you own and hold at certain other financial institutions ("Eligible Debit Card"), (2) make transfers of funds from your RoarMoney Account to RoarMoney accounts of third parties, and (3) make transfers of funds between your Account and other accounts you own and hold at certain other financial institutions (the "Transfer Service"). Use of the Transfer Service is subject to limits or restrictions on the number and dollar amount or types of transactions to and from your Account as set forth in this Agreement or as we may impose from time to time. There is no fee for using the Transfer Service to transfer funds between your Account and RoarMoney accounts of third parties, but fees apply to expedited transfers of funds (the "Turbo Transfer Fee") from your Account to other accounts you own and hold at certain other financial institutions (each, a "Turbo Transfer") and to adding funds to your Account via external debit card from other accounts you own and hold at certain other financial institutions. Please see the Fee Schedule for applicable fees. You may not use the Transfer Service to initiate transfers from accounts of other RoarMoney account holders to your Account. You may not use the Transfer Service to transfer money to or from a third party, except for transfers to other RoarMoney account holders as provided herein. We may refuse to make a transfer if we believe such refusal is necessary or advisable for security reasons.

You should always check the current balance of your Account before initiating a transfer using the Transfer Service to make sure you have sufficient funds. For your protection, you should only send funds to recipients who you know and trust. You must make sure the recipient's information is entered accurately to ensure the transfer is sent to the correct recipient. When adding funds to your Account from an Eligible Debit Card, you will be asked to provide certain information for your Eligible Debit Card, and the identifying information associated with the Eligible Debit Card must match the identifying information associated with your Account. You authorize us to perform verification services as needed to verify account information. Your obligation to pay for the transfer and any applicable fees will not be excused by an error in the information entered. Transfers of funds cannot be cancelled or reversed once the transfer is complete. Transfers made using the Transfer Service may result in the loss of funds. We are not responsible for any fees, including any overdraft fees, charged by the issuer of your Eligible Debit Card.

Most transfers to or from your Account using the Transfer Service will be processed in a few minutes. However, the timing is dependent on the abilities of the financial institution holding your Eligible

Debit Card or receiving a Turbo Transfer, some of whom may take up to 48 hours to process the transfer. We are not responsible for processing errors or delays caused by the institution that holds your Eligible Debit Card or receives a Turbo Transfer. Transfers of funds to your Account from Eligible Debit Cards will be credited or debited by the issuer of your Eligible Debit Card in accordance with the terms and conditions established by the issuer of your Eligible Debit Card. Turbo Transfers will be credited to your account at the financial institution receiving a Turbo Transfer in accordance with the terms and conditions established by the receiving financial institution. Please contact the issuer of your Eligible Debit Card or the receiving financial institution for further information. We are not responsible for any delay with respect to when funds remitted to the financial institution receiving a Turbo Transfer will be made available or credited to you, or any failure of the financial institution receiving a Turbo Transfer to accept or properly process any funds remitted to it. Records of all transfers that you initiate using the Transfer Service will be made available through your Account transaction history.

7. **CONFIDENTIALITY**

We may disclose information to third parties about your Account or the transactions you make:

- Where it is necessary for completing transactions;
- In order to verify the existence and condition of your Account for a third party, such as merchant;
- In order to comply with government agency or court orders, or other legal reporting requirements;
- If you give us your written permission;
- To our employees, auditors, affiliates, service providers, or attorneys as needed; or
- As otherwise necessary to fulfill our obligations under this Agreement.

8. **DOCUMENTATION**

a. **Periodic Statements**

You will be able to review Account transactions and Account statements through the Mobile App. We will send you an email that your Account statement is available on the Mobile App at the time it becomes available, and the Account statement shall be deemed received on the date that it is posted to the Mobile App. **You must also consent to receive electronic communications. We do not send paper statements.** If you have revoked your consent to receive electronic communication, your Account will be closed in accordance with our account closing procedures for e-sign revocation.

Periodic statements will be provided for each monthly cycle in which an EFT occurs. If no EFT has occurred, a periodic statement will be provided at least quarterly. If your Account is dormant, we may stop sending you account statement emails, posting statements to the Mobile App, or mailing statements. Your Account is dormant if your Account has not had any customer-initiated activity, that is, no purchases; no cash withdrawals; no Cash Transfers; or no balance inquiry fees for 365 consecutive days. For security reasons, we may refuse a withdrawal or transfer from Accounts we internally classify as dormant if we cannot reach you in a timely fashion to confirm the transaction's authorization.

b. **Receipts**

You can get a receipt at the time you make any transfer to or from your account using an ATM or point-of-sale terminals. You may need a receipt in order to verify a transaction with us or the merchant.

9. LOST OR STOLEN CARDS; UNAUTHORIZED TRANSACTIONS.

a. Contact Customer Service Immediately

If you believe your Card or Access Device has been lost or stolen contact Customer Service. You may use the Mobile App or call Customer Service to notify us of a lost or stolen Card or Access Device. Within the Mobile App you may also lock your Card, which will prevent any transactions from being made using your Card. You should also call or write to Customer Service if you believe a transfer has been made without your permission.

b. Your Liability for Unauthorized Transfers

Tell us AT ONCE if you believe your Card or Access Device has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission. Notifying Customer Service within the Mobile App or calling Customer Service is the best way of keeping your possible losses down. You could lose all the money in your Account. If you tell us within two (2) Business Days after you learn of the loss or theft of your Card or Access Device, you can lose no more than \$50 if someone used your Card, Account, or Access Device without your permission. If you do NOT tell us within two (2) Business Days after you learn of the loss or theft of your Card or Access Device, and we can prove we could have stopped someone from using your Card, Account, or Access Device without your permission if you had told us, you could lose as much as \$500. If your Card, or Access Device has been lost or stolen, we will deactivate your Card or Access Device, as applicable, and issue you a new one to keep losses down.

Also, if your statement shows transfers that you did not make, including those made by your Card or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was delivered to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods for a reasonable period.

c. In Case of Errors or Questions About Your Electronic Transfers

Contact Customer Service as soon as you can if you think an error has occurred in your Account. You must contact us no later than sixty (60) days after we sent you the FIRST statement on which the problem or error appeared. You will need to tell us:

- Your name and Card or Account number;
- A description of the error or the transaction you are unsure about;
- An explanation of why you believe it is an error or why you need more information; and
- The dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) Business Days. We will determine whether an error occurred within ten (10) Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) Business Days for the amount you think is in error, so that you will have the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not credit your account. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) Business Days to credit your account for the amount you think is in error. We will tell you the results within three Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents we used in our investigation. If you have any further questions regarding our error resolution procedures, please contact Customer Service.

d. Your Liability for Unauthorized Mastercard Transactions

Under Mastercard's Zero Liability Policy, your liability for unauthorized transactions using your Card is \$0.00 if you notify us promptly upon becoming aware of the loss or theft, and you exercise reasonable care in safeguarding your Card from loss, theft, or unauthorized use. These provisions limiting your liability do not apply to debit transactions not processed by Mastercard.

10. ADDITIONAL TERMS OF THE AGREEMENT

a. Personal Identification Number ("PIN")

You will be required to set a Personalized Identification Number ("PIN") at the time of Card activation. You should not write or keep your PIN with your Card. Never share your PIN with anyone and do not enter your PIN into any terminal that appears to be modified or suspicious. If you believe that anyone has gained unauthorized access to your PIN, you should advise us immediately, following the procedures in this Agreement.

b. Returns and Refunds

If you are entitled to a refund for any reason for goods or services purchased with your Account, the return and refund will be handled by the merchant. If the merchant credits your Account, the credit may not be immediately available. While merchant refunds post as soon as they are received, please note that we have no control over when a merchant sends a credit transaction and the refund may not be available for a number of days after the date the refund transaction occurs. We are not responsible in any way for any goods or services you decide to purchase, including without limitation, their quality, safety, legality or delivery. We will not become involved in any dispute involving such goods or services. You also agree to release us and our respective directors, officers, employees and agents from any and all claims, demands and damages between persons using and accepting the Card associated with your Account, including any claims, demands or damages arising out of or related to the purchase or sale of goods or services.

c. Card Replacement and Expiration

If you need to replace your Card for any reason, please contact Customer Service or visit the Mobile App to request a new card (fees may apply, see the Fee Schedule). You will be required to provide personal information which may include your Card number, full name, transaction history, and similar information to help us verify your identity. Please see the Fee Schedule for any applicable fees to replace your Card. Please note that your Card has a "Valid Thru" date on the front of the Card. You may not use the Card after the "Valid Thru" date on the front of your Card. You will not be charged a fee for replacement Cards that we send due to expiration of the Card.

d. Authorized Users

The Account may only be owned and titled in the name of one individual. Account ownership is nontransferable. The Account cannot be owned or titled jointly, by an organization, as "Payable on Death" or "In Trust For". You may not permit another person to have access to your Card or Account. If you do provide access to your Card or Account, you are liable for all transactions conducted using the Card. You are wholly responsible for the use of the Card and Account, subject to the terms of this Agreement and applicable law.

e. Communications

You agree that we may monitor and record any calls or other communications between us and you. You also agree that we or our service providers may contact you with any contact information you provide to us, including cellular and wireless phone numbers, landline numbers, and email addresses. You also agree that we or our service providers may contact you by using an automated dialing or email system, by text, or artificial or recorded voice. You agree to pay any service charges assessed by your plan provider for communications we send or make to you or that you send or make to us.

f. Change of Address

You are responsible for notifying us immediately upon any change to your address or email address. If your address changes to a non-US address, we may close your Account and return funds to you in accordance with this Agreement. You are responsible for notifying us of any change in your physical address, mailing address, email address, phone number, or your name, no later than two (2) weeks after said change. We will attempt to communicate with you only by use of the most recent contact information you have provided to us. You agree that any notice or communication sent to you at an address noted in our records shall be effective unless we have received an address change notice from you.

We cannot accept responsibility for any e-mail messages not received by you, or for any delay in the receipt or delivery of any email notifications. If you make your e-mail account available to any other individual, you agree that you are responsible for any release of any Account information to such individual. It is your sole responsibility to ensure that the e-mail address you provide to us is current and accurate. We are not responsible for loss of messages and other consequences if you do not provide an accurate and current e-mail address.

11. BILL PAYMENT SERVICE TERMS

The following terms ("Bill Pay Terms") govern your access to and use of the bill payment services made available to you with your Account through a third-party service provider ("Bill Pay Service"), the websites, mobile applications or telephone services from which you access the Bill Pay Service (collectively, the "Bill Pay Site"), and the data used to process and complete bill payment transactions (the "Data"). By accessing and using the Bill Pay Service, you agree to these Bill Pay Terms. You must have given your consent to receive legally required communications or disclosures in electronic form in order to use the Bill Pay Service. If you withdraw your consent, you will no longer be able to use the Bill Pay Service.

a. Usage and Availability

You agree that you will not provide access to the Bill Pay Service to any party other than yourself. You agree to use the Bill Pay Service and the Data only for lawful purposes. You agree not to use the Bill Pay Service to make payments to billers outside the United States. The availability of the Bill Pay Service and the Data may be subject to interruption and delay due to causes beyond our reasonable control. We reserve the right to change the Bill Pay Service and these Bill Pay Terms, including fees, in our sole discretion and from time to time, without notice to you except as required by applicable law. If you do not agree to any amendments, you may stop using the Bill Pay Service. Your use of the Bill Pay Service after you are notified of any change will constitute your agreement to the change. We may suspend, terminate or discontinue the Bill Pay Service at any time. The termination of the service shall not affect any fees or charges already due to us from you, including any amounts that may have drawn your Account negative by using the Bill Pay Service. Please see the Fee Schedule for any fees applicable to the Bill Pay Service.

b. Authority to Debit Account

If you choose to use the Bill Pay Service, when you schedule a payment, you authorize us to debit funds from your Account on the scheduled payment date and remit funds on your behalf to your designated biller payee in order to make the payment. In order to process payments more efficiently and effectively, you agree that we may edit or alter payment data or data formats in accordance with biller directives. You agree to have funds available in your Account in amounts sufficient to pay for all bill payments you initiate. You are responsible for paying any negative balance in your Account resulting from bill payments we have made on your behalf, in accordance with the terms of this Agreement. You also authorize us to credit returned or rejected payments from using the Bill Pay Service back to your Account.

c. The Bill Payment Process

- **How to Set up Biller Payees.** When you sign onto the Bill Pay Site, you will add your list of biller payees. We reserve the right, in our sole discretion, to determine billers you may pay using the Bill Pay Service.
- **Method of Payment.** Bill payments will be made either electronically or by sending the biller

a check, draft, or similar paper instrument drawn on your funds debited from your Account (each, a Paper Payment"). Electronic bill payments will normally be posted as a debit from your Account immediately upon request for a bill payment. With Paper Payments, funds in the amount of the payment will be withdrawn from your Account immediately upon request for a bill payment, regardless of when the Paper Payment is sent or presented for payment. Paper Payments will be issued and sent through a bank other than Pathward. Paper Payments in the form of checks will expire after 180 days of not being cashed or deposited by the biller, and the funds will be credited back to your Account within 2 to 5 days of check expiration. All payments we process for you other than Paper Payments will be processed as electronic funds transfers. Payments to certain billers may only be available by Paper Payments. For example, if you must manually add the payment information of a biller to the Bill Pay Service biller list, then the payment associated with that biller will be a Paper Payment. There is a Bill Pay Check Fee for using a Paper Payment to make a bill payment. Please see the Fee Schedule for the Bill Pay Check Fee.

- **Submissions and Timelines.** Bill payments will be processed on the Business Day you designate the payment to be sent, provided the payment request is received prior to the cut-off time we set, which is currently 3:00 pm Central Time. Bill payment requests received after the Business Day cut off time, or at any time on a non-Business Day, will be processed on the next Business Day. We reserve the right to change the cut-off time by giving you notice if it changes. Electronic bill payments are normally received by the biller within two (2) Business Days.
- **Scheduling Bill Payments.** Due to circumstances beyond our control, some billers take longer to process payments than others. You should therefore schedule your bill payments to be sent at least five (5) Business Days prior to the payment due date reflected on your biller's statement. We suggest scheduling your first bill payment to each biller to be sent eight (8) Business Days in advance of the payment due date. After your first payment has posted you will have a better understanding of how much time to allow for each biller. If you do not schedule your payment to be sent at least five (5) Business Days before the payment due date, your bill payment may not reach or be processed by the biller or before the payment due date.
- **Cancelling Bill Payments.** You may request a stop payment of a Paper Payment up until the Paper Payment has been presented for payment by calling Customer Service. You may not cancel an electronic bill payment request.
- **Limits.** Bill payments are limited to \$2,500.00 per Transaction and ten (10) per day. We may set a maximum dollar amount for payment or refuse to permit any payment if we reasonably believe such refusal is necessary or advisable for security reasons.

d. Prohibited Payments

You agree not to use the Bill Pay Service to make payments to billers outside the United States, tax payments to the Internal Revenue Service or any state or other government agency, court-ordered payments, such as alimony or child support, or payments prohibited by law.

e. Refusal, Reversal and Return of Payments

We reserve the right, without liability, to reverse or refuse to make a bill payment if you do not have sufficient funds in your Account to fund the payment, if you fail to comply with these Bill Pay Terms (including, but not limited to, timing requirements for scheduling payments) or if we believe the payment to be prohibited by law. The Bill Pay Service may return payments for various reasons, including, but not limited to: (i) the biller or billing account information is not valid; (ii) the biller does not deposit a Paper Payment; (iii) the biller account is paid in full; or (iv) the U.S. Postal Service does not deliver or returns a Paper Payment.

f. Disclaimer of Warranty

YOU EXPRESSLY AGREE THAT USE OF THE BILL PAY SERVICE, THE BILL PAY SITE AND THE DATA IS AT YOUR SOLE RISK, AND THE BILL PAY SERVICE, THE BILL PAY SITE, AND THE DATA ARE PROVIDED "AS IS" WITH NO WARRANTIES WHATSOEVER, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF AVAILABILITY, RELIABILITY, NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

g. Responsibility for Failed, Delayed or Inaccurate Bill Payments

We are not responsible for any failure to complete or delay in completing any bill payment if (1) your Account does not contain sufficient funds to complete the transaction, (2) the biller rejects or returns the payment for any reason, or a Paper Payment sent to pay a bill is delayed or is never cashed or deposited by the biller payee, (3) the Bill Pay Service is unavailable or not working properly, and you know, or we have told you about the problem before the payment is sent, (4) you have provided us with incomplete, incorrect, or outdated information about the biller or account you wish to pay or the amount of the bill, (5) the biller mishandles or delays handling or posting any payment we send, or (6) any other action or omission of a biller. We do not guarantee that any payment will be received by the payment due date, and we are not responsible for any interest, late fees, expenses or other charges or damages you incur due to failed or delayed payments. If a payment fails, it is your responsibility to notify the biller immediately and make the necessary arrangements to reschedule payment. We are not responsible for any bill payments you initiate that are higher or lower in amount than your actual bill. If you make an overpayment that causes a credit to an account with your biller, you will be responsible to make appropriate arrangements with the biller to receive a refund of the credit or have it applied against future balances. If you underpay a biller you are responsible for resolving the issue with the biller on your own, which may involve your making a separate bill payment for the remaining balance of your bill.

WE WILL NOT BE LIABLE FOR ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL, OR PUNITIVE LOSSES, DAMAGES, OR EXPENSES IN CONNECTION WITH THESE BILL PAY TERMS OR THE BILL PAY SERVICE, EVEN IF WE HAVE KNOWLEDGE OF THE POSSIBILITY OF THEM. ADDITIONALLY, WE ARE NOT RESPONSIBLE FOR ANY LOSSES, ERRORS, INJURIES, EXPENSES, CLAIMS, ATTORNEY'S FEES, INTEREST OR OTHER DAMAGES, WHETHER DIRECT, INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL, CAUSED BY THE BILL PAY SERVICE.

h. Indemnity

You agree to defend, indemnify and hold us and our officers, employees, directors, suppliers, agents and service providers harmless from and against any third-party claims, including any damages, costs, expenses and attorneys' fees arising out of your negligent use of the Bill Pay Service or the Bill Pay Site, or your failure to comply with applicable law or these Bill Pay Terms.

12. LEGAL NOTICES

a. English Language Controls

Translations of this Agreement that may have been provided are for your convenience only and may not accurately reflect the original English meaning. The meanings of terms, conditions, and representations herein are subject to definitions and interpretations in the English language.

b. Account Closure

You may close your Account at any time by contacting Customer Service. Your closure request does not affect any rights or obligations under this Agreement that arose prior to the request.

We may also close your Account at any time, with or without cause, and without prior notice unless required by law. This includes closure due to any prohibited activity described in this Agreement. Upon closure, you should contact Customer Service to confirm your account status and determine whether you are eligible for a refund. If eligible, we will verify your mailing address and issue a refund check accordingly.

All obligations related to transactions conducted before Account closure will survive the closure. Any unclaimed funds may be subject to escheatment under applicable state laws.

c. Disclaimer of Warranties

EXCEPT AS EXPRESSLY OTHERWISE PROVIDED IN THIS AGREEMENT, WE MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND TO YOU, AND HEREBY EXPRESSLY DISCLAIM ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, REGARDING OUR SERVICES OR ANY FINANCIAL SERVICE OR RELATING TO OR ARISING OUT OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

d. Assignability

You may not assign or transfer your Account or your obligations under this Agreement. We may, however, transfer or assign our rights under this Agreement, including any balances in your Account. If we assign our rights, you will get a notification from us.

e. Amendment and Cancellation

We may change this Agreement at any time. We may add new terms or delete or amend existing terms, add new services and discontinue existing services, or convert existing services into new services. We will give you reasonable notice in writing or by any method permitted by law of an adverse change to this Agreement. However, if the change is made for security purposes, we can implement such change without prior notice unless otherwise required by law. We may, but are not required to, notify you of changes that we make for security reasons or that we believe beneficial or otherwise not adverse to you. When we change this Agreement, the then-current version of this Agreement supersedes all prior versions and governs your Account. If you continue to use your Account or keep it open, you are deemed to have accepted and agreed to any changes, as of the effective date of any such change.

f. Legal Process

Your Account is established and maintained at our main office in Sioux Falls, South Dakota. We will comply with all applicable law in connection with any legal process validly served upon us in connection with the Card account including, but not limited to, garnishments, restraints, seizure notices, subpoenas, and similar legal process. Unless required by applicable state or federal law, we will not assert any claims of exemption on your behalf. You agree that we will have no liability to you in the event we properly comply with any such valid legal process.

g. Other Terms

We do not waive our rights by delaying or failing to exercise them at any time (for example, assessing a fee less than described, or not all, for any reason does not waive our right to begin charging the fee as set forth in this Agreement without notice). If any provision of this Agreement is determined to be invalid or unenforceable under any rule, law, or regulation of any governmental agency, local, state, or federal, the validity or enforceability of any other provision of this Agreement shall not be affected. This Agreement is governed by the law of the state of South Dakota except to the extent governed by federal law. Should your Account have a remaining balance after a certain period of time, we may be required to

remit the remaining funds to the appropriate state agency. This Agreement sets forth the entire understanding and agreement between you and us, whether written or oral, with respect to the subject matter addressed herein, and supersedes any prior contemporaneous understandings or agreements with respect to such subject matter.

13. JURY TRIAL WAIVER

YOU AND WE ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL RIGHT BUT MAY BE WAIVED IN CERTAIN CIRCUMSTANCES. TO THE EXTENT PERMITTED BY LAW, YOU AND WE KNOWINGLY AND VOLUNTARILY WAIVE ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION ARISING OUT OF OR RELATED TO THIS AGREEMENT. THIS JURY TRIAL WAIVER SHALL NOT AFFECT OR BE INTERPRETED AS MODIFYING IN ANY FASHION THE DISPUTE CLAUSE SET FORTH IN THE FOLLOWING SECTION, IF APPLICABLE.

14. ARBITRATION CLAUSE

We have put this Arbitration Clause in question and answer form to make it easier to follow. However, this Arbitration Clause is part of this Agreement and is legally binding. For purposes of this section, our **"Notice Address"** is: Pathward, Attn: Customer Service, 5501 S Broadband Ln, Sioux Falls, SD 57108.

Background and Scope		
Question	Short Answer	Further Detail
What is arbitration?	An alternative to court	In arbitration, a neutral third-party arbitrator ("Arbitrator") solves Disputes in an informal hearing on an individual basis.
Is it different from court and jury trials?	Yes	The hearing is private. There is no jury. It is usually less formal, faster and less expensive than a lawsuit. Pre-hearing fact finding is limited. Appeals are limited. Courts rarely overturn arbitration awards.
Can you opt-out of this Arbitration Clause?	Yes, within 60 days	If you do not want this Arbitration Clause to apply, you must send us a signed notice within 60 calendar days after you acquire the Account. You must send the notice in writing (and not electronically) to our Notice Address. Provide your name, address and Card or Account number. State that you "opt out" of the Arbitration Clause. Opting out will not affect the other provisions of this Agreement.
What is this Arbitration Clause about?	The parties' agreement to arbitrate Disputes	Unless prohibited by applicable law and unless you opt out, you and we agree that you or we may elect to arbitrate individually or require individual arbitration of any "Dispute" as defined below.
Who does the Arbitration Clause cover?	You, us and certain "Related Parties"	This Arbitration Clause governs you and us. It also covers certain "Related Parties": (1) our parents, subsidiaries, affiliates, and their successors and permitted assigns; (2) our employees, directors, officers,

		shareholders, members and representatives; and (3) any person or company that is involved in a Dispute you pursue at the same time you pursue a related Dispute with us.
What Disputes does the Arbitration Clause cover?	All Disputes (except certain Disputes about this Arbitration Clause)	This Arbitration Clause governs all "Disputes" that would usually be decided in court and are between us (or any Related Party) and you. In this Arbitration Clause, the word "Disputes" has the broadest reasonable meaning. It includes all claims even indirectly related to your Account or this Agreement or the relationships between you and us and/or "Related Parties" resulting therefrom, including but not limited to, initial claims, counterclaims, cross-claims, third- party claims, and claims based on any constitution, statute, regulation, ordinance, common law rule (including rules relating to contracts, torts, negligence, fraud or other intentional wrongs) and equity. It includes claims that seek relief of any type, including damages, and/or injunctive, declaratory, or other equitable relief. It includes claims related to the validity in general of this Agreement. However, it does not include disputes about the validity, coverage or scope of this Arbitration Clause or any part of this Arbitration Clause. (This includes a Dispute about the rule against class arbitration.) All such disputes are for a court and not an Arbitrator to decide.
Who handles the arbitration?	Usually AAA or JAMS	Arbitrations are conducted under this Arbitration Clause and the rules of the arbitration administrator in effect when the arbitration is started. The arbitration administrator will be either: • The American Arbitration Association ("AAA"), 120 Broadway, 21st Floor, New York, NY 10271, www.adr.org. • JAMS, 620 Eighth Avenue, 34th Floor, New York, NY 10018, www.jamsadr.com. • Any other company picked by agreement of the parties If all the above options are unavailable, a court with jurisdiction will pick the administrator. No arbitration may be administered without our consent by any administrator that would permit a class arbitration under this Arbitration Clause.

		The Arbitrator will be selected under the administrator's rules. However, the Arbitrator must be a lawyer with at least ten years of experience or a retired judge unless you and we otherwise agree.
Can Disputes be litigated?	Sometimes	Either party may bring a lawsuit if the other party does not demand arbitration. Also, any individual claim(s) by you or us in which the amount in controversy (exclusive of attorneys' fees and costs if applicable law so provides) is properly within the jurisdiction of a small-claims court may be removed to small-claims court at the election of the opposing party by providing notice within 21 days of receiving the arbitration demand from the other party; however, if that action is transferred, removed or appealed to a different court, a party may elect arbitration. Even if all parties have opted to litigate a Dispute in court, you or we may elect arbitration with respect to any Dispute made by a new party or any Dispute later asserted by a party in that lawsuit or in any related or unrelated lawsuit (including a Dispute initially asserted on an individual basis but modified to be asserted on a class, representative, or multi-party basis). Nothing in that litigation shall constitute a waiver of any rights under this Arbitration Clause.
Are you and we giving up any rights?	Yes	For Disputes that are arbitrated under this Arbitration Clause, you and we give up our rights to: 1. Have juries decide Disputes. 2. Have courts, other than small-claims courts, decide Disputes. 3. Serve as a private attorney general or in a representative capacity in court or in arbitration. 4. Join a Dispute that you, we, or Related Parties have with a dispute that others have. 5. Bring or be a class member in a class action in court or in a class arbitration. The Arbitrator shall have no authority to conduct any arbitration inconsistent with this section or to issue any relief that applies to any person or entity except you or us or Related Parties individually.
Can you or another consumer start a class arbitration?	No	The Arbitrator is <u>not</u> allowed to handle any Dispute on a class or representative basis. All Disputes subject to this

		Arbitration Clause must be decided in an individual arbitration or an individual small-claims action. You may not pursue any type of collective action or class action against us in arbitration.
What law applies?	The Federal Arbitration Act ("FAA")	This Agreement and the Account involve interstate commerce. Thus, the FAA governs this Arbitration Clause. The Arbitrator must apply substantive law consistent with the FAA. The Arbitrator must honor statutes of limitation and privilege rights. The Arbitrator is authorized to award all remedies permitted by applicable substantive law, including, without limitation, compensatory, statutory and punitive damages (subject to constitutional limits that would apply in court), declaratory, injunctive and other equitable relief, and attorneys' fees and costs. In the event of any conflict or inconsistency between this Arbitration Clause and the administrator's rules or the Agreement, this Arbitration Clause will govern.
Will anything I do make this Arbitration Clause ineffective?	No	This Arbitration Clause stays in force even if: (1) you or we end this Agreement; (2) we transfer or assign our rights under this Agreement, or (3) a party files for bankruptcy (if bankruptcy law permits).
Process		
What must a party do before starting a lawsuit or arbitration?	Send a written Dispute notice and work to resolve the Dispute	Before starting a lawsuit or arbitration, the complaining party must give the other party written notice of the Dispute. The notice must explain in reasonable detail the nature of the Dispute and any supporting facts. If you are the complaining party, you must send the notice in writing (and not electronically) to our Notice Address. You or an attorney you have personally hired must sign the notice and must provide your Card or Account number or identification and a phone number where you (or your attorney) can be reached. A letter from us to you will serve as our written notice of a Dispute. Once a Dispute notice is sent, the complaining party must give the other party a reasonable opportunity over the next 30 days to resolve the Dispute on an individual basis.
How does an arbitration start?	Mailing a notice	If the parties do not reach an agreement to resolve the Dispute within 30 days after notice of the Dispute is received, the complaining party may commence a lawsuit or an arbitration, subject to the terms of this Arbitration Clause. To start an arbitration,

		the complaining party picks the administrator and follows the administrator's rules. If one party begins or threatens a lawsuit, the other party can demand arbitration. This demand can be made in court papers, such as a motion to compel arbitration. Once an arbitration demand is made, no lawsuit can be brought and any existing lawsuit must stop unless a court rules otherwise.
Will any hearing be held nearby?	Yes	The Arbitrator may decide that an in-person hearing is unnecessary and that he or she can resolve a Dispute based on written filings and/or a conference call. However, any in-person arbitration hearing must be held at a place reasonably convenient to you.
What about appeals?	Very limited	Appeal rights under the FAA are very limited. The Arbitrator's award will be final and binding. Any appropriate court may enter judgment upon the Arbitrator's award.
Arbitration Fees and Awards		
Who bears arbitration fees?	Usually, we do.	We will pay all filing, administrative, hearing and Arbitrator fees if you act in good faith, cannot get a waiver of such fees, and ask us to pay. We will always pay amounts required under applicable law or the administrator's rules.
When will we cover your legal fees and costs?	If you win	If you win an arbitration, we will pay the reasonable fees and costs for your attorneys, experts and witnesses. We will also pay these amounts if required under applicable law or the administrator's rules or if payment is required to enforce this Arbitration Clause. The Arbitrator shall not limit his or her award of these amounts because your Dispute is for a small amount.
Will you ever owe us for arbitration or attorneys' fees?	Only for bad faith	The Arbitrator can require you to pay our fees if (and only if): (1) the Arbitrator finds that you have acted in bad faith (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)); and (2) this power does not make this Arbitration Clause invalid.
Can an award be explained?	Yes	A party may request details from the Arbitrator within 14 days of the ruling. The Arbitrator will determine whether to grant such request.
What happens if a part of this Arbitration Clause cannot be enforced?	It depends	If any portion of this Arbitration Clause cannot be enforced, the rest of the Arbitration Clause will continue to apply, except in two instances. First, if a court rules that the Arbitrator can decide a Dispute on a class basis and that ruling is not reversed

		on appeal, then this entire Arbitration Clause (except for this sentence) will be void. Second, if a claim is brought seeking public injunctive relief and a court determines that the restrictions in this Arbitration Clause prohibiting the Arbitrator from awarding relief on behalf of third parties are unenforceable with respect to such claim (and that determination becomes final after all appeals have been exhausted), then the claim for public injunctive relief will be determined in court and any individual claims seeking monetary relief will be arbitrated. In such a case, the parties will request that the court stay the claim for public injunctive relief until the arbitration award pertaining to individual relief has been entered in court. In no event will a claim for public injunctive relief be arbitrated.
